FAA REPAIR STATION # OTWR615K

---

Subject: New Customer Credit References

Thank you for allowing O2 Corporation with the opportunity to provide you with your aircraft oxygen equipment needs. To help O2 Corporation add you to our system with Net 30 terms please provide us with contact information for your credit references below. Some banks may require that their customer provide permission to release credit history information, if so please contact your bank in advance to help expedite the process. Thank you again and we appreciate your business!
